FSO institute™
The Manufacturing Health People

Communities of Excellence

Two connected communities. One shared mission: improve performance through people, processes, and technology.

MANUFACTURERS HEALTH ROUNDTABLE (MHRT)

Strategic Conversations.
Convening senior manufacturing executives to address the broad dimensions of manufacturing health and set direction.

STRATEGY MEETS EXECUTION

CHAMPIONS NETWORK (CNET)

Accelerating Performance.
Leveraging Subject Matter Experts(SME) with AI, with operations and emerging leaders to turn strategies into meaningful improvement throughout the organization.

Leadership at the top. Execution at the front line. Better results for your business.

WHY LEADERS JOIN

SOLVE PROBLEMS FASTER
Get practical answers to real manufacturing challenges from peers who have faced them before.

LEARN FROM PEOPLE WHO'VE DONE IT
Tap experienced manufacturing leaders and Subject Matter Experts—not sales pitches or theory.

PUT IDEAS INTO ACTION
Bring back case studies, tools, emerging practices, and approaches your organization can use immediately.

BUILD A NETWORK YOU CAN TRUST
Develop relationships with manufacturing peers you can turn to for candid advice, fresh perspectives, and shared experience.

THE 12 DIMENSIONS OF MANUFACTURING HEALTH

Whatever manufacturing challenge is keeping you up at night, chances are someone in this community has dealt with it.

CAP EX Strategy, TCO, Vertical Startup	**MANUFACTURING** OEE, Yield, Operational Excellence	**ASSET RELIABILITY** Uptime, Risk Analysis, Life Cycle	**SUPPLY CHAIN** S & OP, Traceability, Logistics

FSO Institute's

Manufacturing Health RoundTable

Solve Your Greatest Manufacturing Challenges with Peers Who've Done It

CHECKLIST

To Determine if the Manufacturing Health Roundtable is Right for You

YES	NO	
☐	☐	1. I have responsibility in one or more of the following areas in my company: operations, manufacturing, supply chain, quality, packaging, EH&S, workforce, etc.
☐	☐	2. I am a highly experienced or high potential individual in my company.
☐	☐	3. I'd like to expand my network of contacts in the manufacturing space.
☐	☐	4. I am eager to learn from and share with industry peers from outside my company.
☐	☐	5. I'd welcome a safe harbor community environment where I'd feel comfortable sharing some of my greatest challenges.
☐	☐	6. Being able to access new tools that I could implement immediately in managing some of my biggest manufacturing challenges would be very attractive to me.
☐	☐	7. Access to industry Subject Matter Experts would be very valuable to me and my company.
☐	☐	8. Fresh ideas on how to improve myself and my team members would help me tremendously.
☐	☐	9. I'd much rather talk with other industry professionals who have actual, real-life experiences in manufacturing.

If you answered "Yes" to most of these questions, then it's very likely that you're a great candidate to join the Manufacturing Health Roundtable!
